

**His Story Handwriting™ & Memory Master Books™
Practicing Handwriting & Memorizing Truths
about God and all things He created**

Welcome to His Story Handwriting™ & Memory Master Books™ - a product of Christian Soul Food™. Our prayer is that God will use these books to help your children sanctify the Lord God in their hearts and to always be ready to give an answer for the hope that lies within them (1 Peter 3:15, paraphrased).

This book is designed to help the student practice handwriting and increase in knowledge. The first few pages are for the student to practice writing individual letters. From there, we hope your student has fun exploring the wonderful world which God created while focusing on the subject matter in this book and practicing their handwriting.

This book is laid out in sections. Each section is on a different topic. You may choose to divide up your lesson time as it best fits your schedule. Some general recommendations to get you started are to have the student spend 5 to 10 minutes each day, or 10 to 15 minutes three days a week, practicing and memorizing the facts contained in this book. If you want your students to memorize all or any of the facts in this book, simply have them continue reading them until they can recite them back to you. If you want them to have a general knowledge of the subject matter, have them verbally share each day what they have read. It helps students better understand and remember what they have read when they share it with others. Sharing during a meal works great.

In our research to write this book we sometimes came across conflicting information. If you find what you believe to be errors in this book, please let us know.

All things were created by Him and for Him (Colossians 1:16). Therefore, we study as many subjects as God calls us to so we can learn more about Him and His creation. Though we strive to put God-glorifying information in our books, please remember that we are sinners saved only by God's grace, and we therefore point you to God's Word as the final authority on everything. For it is God who gives us wisdom, knowledge, and understanding (Proverbs 2:6).
