- Say the letter.
- Trace the dotted line with your finger starting at number 1 then following the numbers and arrows.
- Trace the dotted line with a pencil starting at number 1 then following the numbers and arrows.
- Continue writing the letter you are practicing in the blank area to the end of each line.
- Make sure your letters are the same shapes and sizes as the examples.
- In cursive writing the pencil is not lifted off of the paper until the word is completed.
- The lower case letters t and x and capital letters F and X are crossed. The lower case letters i and j are dotted. We call t, x, F, X, i, and j “returners.” Do you know why? It is because after we have finished writing a word in cursive we need to return to these letters and cross or dot them.

1 Thessalonians 5:18 - In everything give thanks: for this is the will of God  
in Christ Jesus concerning you.
