

**His Story Handwriting™ & Memory Master Books™
Practicing Handwriting & Memorizing Truths
about God and all things He created**

Welcome to His Story Handwriting™ & Memory Master Books™ - a product of Christian Soul Food™. Our prayer is that God will use these books to help your children sanctify the Lord God in their hearts and to always be ready to give an answer for the hope that lies within them (1 Peter 3:15, paraphrased).

This book is designed to help the student practice handwriting while memorizing and increasing in knowledge of God's Word. The first few pages are for the student to practice writing individual letters. Beyond the practice sheets, you will find Scripture laid out to help the student practice and develop the students handwriting skills.

This book is laid out in sections. Each section is a different passage of Scripture. You may choose to divide up the passages and lesson time as it best fits your schedule. Some general recommendations to get you started are to have the student spend 5 to 10 minutes each day, or 10 to 15 minutes three days a week, practicing their handwriting. Also, if you want your student to memorize all or any of the passages of Scripture in this book, simply have them continue reading them daily or every other day, until they can recite them back to you. If you want them to have a general knowledge of the Scripture they are writing and reading, have them verbally share each day what they have read. This helps them better understand and remember what they have read when they share it with others. Sharing during a meal works great.

The King James Bible is used exclusively as the translation for this book.

All things were created by Him and for Him (Colossians 1:16).
